| 2 | Current status of mining operations.  
Not yet started. |
| 3 | Location of the project  
Arki Limestone Deposit situated WNW of Shimla in Himachal Pradesh. The deposit is located north of Arki town. Arki town is 40 kms from Shimla and 58 kms from Solan by road. The nearest Broad gauge railway station is Kalka.  
The deposit lies between:  
- Longitude 76° 58' 02" to 76° 56' 24"
- Latitude 31° 11’ 05” to 31° 09’ 36”
- Sol Topsheet 53 A/16. (New: H43E16) |
| 4 | Current status of point wise compliance of the stipulated environmental conditions/ safeguard.  
Obtained Environmental Clearance from MoEF & CC, New Delhi vide letter no. NoJ-11015/82/2009-IA. II(M), dt. 20.12.2010. All the conditions stipulated in the EC would be undertaken in due course of time.  
- Area under diversion of forest land for mining purpose: 84.36 Ha.  
- Deposit of Rs. 9.47 crore in the CAMPA account in Jan 2013 (towards Compensatory Afforestation in 168 Ha as double of the 84.36 Ha diverted forest land; Fencing, protection & regeneration of 3.67 Ha Safety Zone and NPV of the forest area).  
- Submitted ST & OTFD Clearance Certificate (Issued by DC, Solan. H.P.).  
- Submitted all the required ‘Undertakings’ & other documents.  
- Deposited Rs. 65.49 Lakh on 31.03.2016 to the State Forest Deptt. towards charges for tree felling in the 84.36 Ha diverted forest land. |
| 5 | The area of forest land to be diverted for passage or other purpose in your project and forest status of approval from Ministry of Environment and Forest for seeking environmental clearances.  
- Submitted all the required ‘Undertakings’ & other documents.  
- Deposited Rs. 65.49 Lakh on 31.03.2016 to the State Forest Deptt. towards charges for tree felling in the 84.36 Ha diverted forest land. |

| 6 | Salient features: | NMDC Limited intends to develop limestone mine near Arki with a capacity of 5.0 MTPA. The mine will be developed for the ROM production of 5.0 MTPA of limestone. The ROM will be transported to the crushing plant/screening plant by Shovel-Dumper combination and it will be supplied to cement and steel manufacturing units.  
The mine management will undertake the control measures in coordination with the State Forest Department, CPCB/MoEF & CC and Environmental consultant. The management of environment shall be made an integral part of the major activities of mining. The environmental data shall be monitored by using on outside agency having valid recognition from CPCB/MoEF & CC. |
| 7 | Break up of the project area |   |
| 7.a | Submergence area: Forest and Non-forest |   |
| 7.b | Others |   |
| 8 | Break up of project affected population with enumeration of those losing houses/dwelling units, agricultural land only both dwelling units and agricultural land and landless laborers/artisans. | Break up of project affected population as per estimated by DC, Solan:  
1. Landless Families: 18  
2. Houseless Families: 16  
3. Patra Vyakti (Eligible Persons): 32  
“Landless Family” means a family that was having more than 5 bigha land and entire land |
Ministry of Environment & Forests  
Northern Regional Office  
Dehradun

| a) SC/ST/Adivasis holding has been acquired for the project. Such family does not possess any land after acquisition.  
“Houseless Family” means a family whose dwelling houses have been acquired and no alternate house to live after acquisition.  
“Patra Vyakti” means a person who is having less than 5 bigha (around 3675 sqm) land and whose entire 5 bigha land shall be acquired.  
Above data are based on ‘Inescapability Certificate’ given by the DC, Solan.  
ST & OTFD Clearance Certificate has been obtained from the DC, Solan.  

| Financial details:  
a) Project cost as originally planned and subsequent revised estimates the year of price reference  
b) Allocations made for environmental management plans with and year wise break up  
c) Benefit cost ratio/Internal Rate of Return and the year of assessment  
d) Whether (c) includes the cost of environmental management as shown in b) above  
e) Actual expenditure incurred on the project so far  
f) Actual expenditure incurred on the environmental management plans so far  

| Forest land requirement:  
a. Forest Clearance has been accorded by the MoEF & CC, New Delhi vide letter no. F. No. 8-39/1994-FC, dt. 10.04.2015.  
b. Deposited Rs. 65,49,379.00 towards Tree Felling charges. No tree has been felled as yet  
c. Deposited Rs. 9,47,96,186.00 in the CAMPA account towards CA in 168 Ha as double of the 84.36 Ha diverted forest land; Fencing, protection & regeneration of 3.67 Ha Safety Zone and NPV of the forest area.  
d. CA programme is not yet started in the identified land bank.  

| The status of clear felling in non forest areas such as submergence  
Nil
